An Eater's Manual. Michael Pollan's Food Rules began with his hunch that the wisdom of our grandparents might have more helpful things to say about how to eat well than the recommendations of science or industry or government. The result was a slim volume of food wisdom that has forever changed how we think about food. Now in a new edition illustrated by artist Maira Kalman, and expanded with a new introduction and nineteen additional food rules, this hardcover volume marks an advance in ...
