7 Best Printable Footprint Cut Out - printablee.com

These colourful footprint templates are excellent to use with your class to teach them the difference between left and right - something more challenging than using their hands! Children can cut the footprint templates out and lie them out on the table and work out which ones are the left foot and which ones are the right foot. Ask them why they have made their decisions. If they are struggling, explain to them which footprints are left and right and write ' L ' and ' R ' on them for ...
