The Ford Falcon is a full-sized car produced by Ford Australia from 2002 to 2005. It was the second significantly re-engineered iteration of the sixth generation of this Australian-made model, and also included the Ford Fairmont (BA)—the luxury-oriented version of the Falcon. This platform also formed the basis of the Ford Territory sport utility vehicle. To address the relatively poor reception of the preceding AU series, the BA series was heavily updated for launch in September 2002 ...
