Set up a designated workspace with professional surroundings. Establish working hours that ensure personal time where business issues don't encroach on free time and family time.

**How to Build a Strong Foundation for Your Small Business...**

Your business entity should be completely separate from your personal affairs. It is a protection for you, your company and your clients. By reviewing your options and setting things up properly, you will have a bedrock foundation because you have legitimized your company.

**Five Keys to a Stable Foundation for Successful Business...**

For building a business narrative, we need to construct a business plan above the business model, which serves as a foundation. The Business Plan Essentials The business plan is a narrative that describes a firm's historical origin, its strategic view, its competitive environment and competitive advantages, its product and services and their evolution over the next three to five years, among other things.

**Your Business Model is the Foundation of Your Business Plan**

This means quite a few people are looking to get rich quickly instead of taking the time to really build a foundation for a business that lasts. Whether you're building a brand online or in person, or a healthy combination of the two, there are three basic steps you need to take to give your business a solid foundation: 1.

**3 Steps to Build a Strong Small Business Foundation — YES...**

A corporate foundation is a legal entity that operates separately from your business, said Suzanne Friday, managing director of national standards and vice president of legal affairs for the Council on Foundations in Washington, D.C. "One of the misconceptions is the foundation is another one of the company's assets," Friday said.

A foundation is a category of nonprofit organization or charitable trust that typically provides funding and support for other charitable organizations through grants, but may also engage directly in charitable activities. Foundations include public charitable foundations, such as community foundations, and private foundation, which are typically endowed by an individual or family. However, the term "foundation" may also be used by organizations that are not involved in public grantmaking.
