book about Frederick Law Olmsted by journalist Tony Horwitz, is difficult to classify. It is a biography of Frederick Law Olmsted and a history of his America. It is also reportage from rural America and a thoughtful reflection on our times. In Spying...

Tracing Olmsted ' s Journey Through the South – THE DIRT Designed in 1857, the park launched its creator Frederick Law Olmsted (1822-1903) into a profession virtually of his own making: landscape architecture. Having made a strong case that intentionally-designed open space was indispensable to urban living, Olmsted revolutionized the appearance of American cities.

Besides being an experimental  
farmer, prolific journalist,  
crusading publisher, military health  
care reformer, and insightful social  
critic, Olmsted was also the  
greatest advocate and impresario  
of the public realm this country
