Fragmented Academic World? A Message from Prof. Ikenberry ~~The Presidential Election and U.S. Foreign Policy~~ G John Ikenberry Liberal Leviathan

John Ikenberry argues that the American power has been fused with the international order. It now transcends America, it has become global "liberal order". America has become "Liberal Leviathan", which is bigger than America itself. To put his thesis simply, the American liberal hegemony has been a success story.

In *Liberal Leviathan*, published in 2011, G. John Ikenberry unpicks the crisis of authority and governance prevalent in the liberal international system by arguing for America to adopt a grand strategic vision of liberal internationalism. The title of the book in itself is quite intriguing as it invokes significance to the Hobbesian conception of 'Leviathan.' The United States' hegemony ...
