Through the Cambridge O Level Geography syllabus, learners will  
develop a 'sense of place' by looking at the world around them on a  
local, regional and global scale. Learners examine a range of natural  
and man-made environments, and learn about some of the processes that  
affected their development. They will also look at the ways in which  
people interact with their environment, and the opportunities and  
challenges an environment can present, thereby gaining a deeper  
insight into the ...
