German Texan is both a term to describe immigrants who arrived in the Republic of Texas from Germany from the 1830s onward and an ethnic category that includes their descendants in today's state of Texas. The arriving Germans tended to cluster in ethnic enclaves; the majority settled in a broad, fragmented belt across the south-central part of the state, where many became farmers. As of 1990, about three million Texans considered themselves at least part German in ancestry, a subgroup of German

In the late 1830s German immigration to Texas was widely publicized in the Fatherland. The publicity attracted a group of petty noblemen who envisioned a project to colonize German peasants in Texas. The nobles hoped the project would bring them wealth, power, and prestige. It could also, they thought, alleviate overpopulation in rural Germany.
