Gerontological Nursing Current Practice And Research [EBOOK]

Gerontological nursing is the specialty of nursing pertaining to older adults. Gerontological nurses work in collaboration with older adults, their families, and communities to support healthy aging, maximum functioning, and quality of life. The term gerontological nursing, which replaced the term geriatric nursing in the 1970s, is seen as being more consistent with the specialty's broader focus on health and wellness, in addition to illness. Gerontological nursing is important to meet the health

Gerontological nursing - Wikipedia

The Journal of Gerontological Nursing is a monthly, peer-reviewed journal publishing clinically relevant original articles on the practice of gerontological nursing across the continuum of care in ...

Journal of Gerontological Nursing

Geriatric Nursing addresses current issues related to drugs, advance directives, staff development and management, legal issues, client and caregiver education, infection control, and other topics. The journal is written specifically for nurses and nurse practitioners who work with older adults in any care setting.

Geriatric Nursing - Journal - Elsevier

Geriatric nursing is moving to ensure geriatric competency in all nurses who work with older

adults in the future. The future should see the benefits of current efforts to infuse geriatric content into baccalaureate programs that prepare registered nurses, into master's programs that prepare adult and family nurse practitioners, and into the day-to-day practice of the nation's 2.2 million practicing registered nurses.
