### Earth Science Globe Fearon Book - Universitas Semarang

This colourful globe template uses images from NASA to show the earth as it is viewed from space. If you want to know how to make a globe at home, this template is a little tricky to make as the template does not include tabs for sticking the different gores (segments) together but with a little care, this should be a fun model to make.

### Make a globe - 3D Geography

Make use of Google Earth's detailed globe by tilting the map to save a perfect 3D view or diving into Street View for a 360 experience. Share your story with the world.
