Cancer Awareness, Prevention and Control: A UICC handbook for South Asia. Home to a quarter of the world's population, South Asia - Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan and Sri Lanka - presents a complex sociodemographic scenario that is medieval in places, transitional in others and most modern in some. The health problems and the available health-care infrastructure in the region are a direct reflection of this situation.

Handbook of Cancer Control and Behavioral Science

The IARC Handbooks of Cancer Prevention complement the IARC Monographs book series. While the IARC Monographs identify and evaluate environmental causes of cancer in humans, the IARC Handbooks of Cancer Prevention evaluate the strength of the evidence that an intervention can have a cancer-preventive effect. IARC
