**'Handplane Essentials' - New Review and New Sale | Popular...**

I got so many contradicting opinions that the more I listened and read the more confused I got. That is when Chris Schwarz and 'Handplane Essentials' came into the picture. "In the book, Chris helped me understand that I don't have to be a hand tool purist, I can mix and match power tools with hand tools AND he told me how to do this.

**A Customer Review: 'Handplane Essentials' | Popular...**

During the last few months I've been revising "Handplane Essentials," an out-of print book that we published while I was the editor at Popular Woodworking Magazine. The revisions, additions and subtractions will be significant. We're removing a lot of the reviews and features on planemakers who are no longer in business.

**Revising 'Handplane Essentials' | Popular Woodworking Magazine**

After hours and hours and hours of work (please, some kind soul, send Vodka), I was finally able to get "Handplane Essentials," by Christopher Schwarz, into a PDF format that plays nice with all PDF-equipped eReaders.. The Boring Stuff This is more information that you no doubt want, but the problem seems to be that the iPad doesn't support the industry-standard picture compression format.

**'Handplane Essentials' - Now Available in Byte Size ...**

When Scott Francis at Popular Woodworking Books asked me to revise my 2009 book "Handplane Essentials," I thought it would be a short job. The plan was to add a handful of articles I'd written on specialty planes and update the text to accurately reflect toolmakers who had entered or left the market since the book was first published.
