Harbor Breeze Replacement Parts - Where to find them

If the fan is controlled by one switch, then twist the black and blue wires together. Connect it to the black wire which is hanging down from the ceiling. If the fan has two switches, connect the black wire from the fan to the black, blue and red wire in the ceiling.

Harbor Breeze Wiring Diagrams - Harbor Breeze Ceiling Fans

Dip Switch Programming. Programming a ceiling fan is not the same or even close to programming a remote control for the TV, or other appliances. For these instances, there are many buttons; there is a code entered to program the remote with the TV, with the cable box, etc. Remote controls for ceiling fans only have a few buttons. The difference is that dip switches are set to program the ...
