Titlu Head First Design Patterns. Autor Eric Freeman. Categorie Calculatoare / IT. DOWNLOAD PDF. There's an old saying in the computer and videogame business - well, it can't be that old because the discipline is not all that old - and it goes something like this: Design is Life. What's particularly curious about this phrase is that even today almost no one who works at the craft of creating electronic games can agree on what it means to "design" a game.

Another book I read first is Clean Code, which I would also recommend, but Head First Design Patterns is a nice addition because the detailed code examples really help cement my understanding. The examples are all in Java, which I don't know well at all, but with just knowing the bare minimum Java I was able to understand nearly all of the examples.
