The phase of your basketball practice plan, Defensive Drills, typically runs for around 10 minutes as well. I like using 5 different drills, for 2 minutes each. Defensive drills are typically tiring, so this allows you to maintain the intensity level for each drill from start to finish.

Basketball Practice Plan - A Step by Step Template for Coaches

A major part of a basketball coach's job, whether it be on a youth level, middle school, or high school is skill development. Skills can be developed through individual drills, individualized practice sessions, small group work, and scrimmages. Many youth coaches have high numbers of players to coach and very small numbers of assistants.

Basketball Practice Planning Individual Stations

Coaching basketball and trying to come up with practice plans day after day can be overwhelming. Coaches rack their brains trying to come up with the perfect practice plan for their team. They think that they've built a great plan, but by the end of practice, they feel like they didn't accomplish much. Building a practice plan isn't an easy task. You have to plan what your points of emphasis will be, know what your team needs to work on, and plan practice accordingly.
