How We Do Harm exposes the
underbelly of healthcare today—the
overtreatment of the rich, the under
treatment of the poor, the financial
conflicts of interest that determine the
care that physicians' provide,
insurance companies that don't
demand the best (or even the least
expensive) care, and pharmaceutical
companies concerned with selling
drugs, regardless of whether they
improve health or do harm.

While we wait for a second stimulus check to become law, you can get an idea of the priority group you would be in to get your payment, how much you and your dependents may receive and what to do ...

It's true, a second stimulus check is back on the table ...

Affect and effect are easy to mix up. Here's the short version of how to use affect vs. effect. Affect is usually a verb, and it means to impact or change. Effect is usually a noun, an effect is the result of a change. Watch out! There are certain situations and fixed phrases that break the general usage rules for these words.

Affect vs. Effect Difference - It's Not As Hard As You Think ...
