The Hyundai i10 is a city car produced by the South Korean manufacturer Hyundai since 2007. It replaced the Hyundai Atos in the model line-up, and was initially available only as a five-door hatchback body style. The second generation of the car was presented in August 2013 and released in the beginning of 2014. A slightly larger version, the Grand i10, was developed primarily for the Indian market and was released in September 2013, together with a sedan model, the
