Imperial and post-colonial history. Interest in imperial history can be seen to have declined with the empires themselves, with in Britain attention shifting from the 1960s onwards to the study of former colonies and anti-colonial movements (seen as a 'bottom-up' approach as opposed to 'top-down' methods more interested in the impact of empire on Britain itself).

The imperial system of units, imperial system or imperial units is the system of units first defined in the British Weights and Measures Act 1824 and continued to be developed through a series of Weights and Measures Acts and amendments. The imperial units replaced the Winchester Standards, which were in effect from 1588 to 1825. The system came into official use across the British Empire in 1826. By the late 20th century, most nations of the former empire had officially adopted the metric syste
