School | Definition of School at Dictionary.com

It is the act of using or imitating other words or ideas from another source without citing that source. (Its origin is a Latin word meaning "kidnapper.") That's why giving credit to your source in paraphrasing is so important. When we paraphrase, we may use our own words, but we did not develop the original ideas.

Bullying in schools synonyms, Bullying in schools antonyms ...
Prepositions are nearly always combined with other words in structures called prepositional phrases. Prepositional phrases can be made up of a million different words, but they tend to be built the same: a preposition followed by a determiner and an adjective or two, followed by a pronoun or noun (called the object of the preposition).
