International sales contract. An agreement between a seller and a buyer for the sale of goods. The contract should, at a minimum, identify the seller and buyer, the quantity and type of product, delivery time, price and conditions of payment. In addition, a well-constructed international sales contract will reference the governing body of law, the forum where any disputes are to be resolved and the method of dispute resolution, such as arbitration as opposed to litigation.

What is International sales contract? Definition and meaning

International Commercial Law is a body of legal rules, conventions, treaties, domestic legislation and commercial customs or usages, that governs international commercial or business transactions. A transaction will qualify to be international if elements of more than one country are involved.
