OGC officially announced that ITIL Version 2 certification would be withdrawn and launched a major consultation as per how to proceed. In July 2011, the 2011 edition of ITIL was published, providing an update to the version published in 2007.

Download Ebook Itil 2011

ITIL is the most widely accepted approach to running effective IT/digital services and has been adopted by individuals and organizations across the world. ITIL helps define the direction of the service provider with a clear operating model and aligns services to the business strategy and customer needs.
