Jazz flute is the use of the flute in jazz music. While flutes were sometimes played in ragtime and early jazz ensembles, the flute became established as a jazz instrument in the 1950s. It is now widely used in ensembles and by soloists. The modern Boehm system transverse concert flute is commonly used in jazz playing; other members of the same family are used, such as the alto flute in G. Ethnic and other flutes, such as bamboo flutes, have also been used in jazz. Hubert Laws at the Jakarta Int

the Swing Era, the flute emerged as a color in composers' palettes during this period, with saxophonists doubling on the instrument to add texture to big band compositions. As smaller ensembles began to emerge in the 1950s and recording and amplification technology allowed the relatively quiet flute to show off its full range, the instrument saw a rise in ...

100 Greatest Jazz Flutists - DigitalDreamDoor

Flutists started to appear in jazz bands more frequently at the beginning of the bebop era of the 1940's. By the 1960's the flute had become an integral part of many jazz bands and had contributed to the unique sound of that era. A great example of this sound is the 1959 album Kelly Blue, featuring the brilliant flute playing of Bobby Jasper.

Unfortunately flute is not often seen as a major jazz instrument, but often relegated to an occasional sidekick to the saxophone. It got me to thinking about some of the other great jazz flute performances that I have heard over the years and so I decided it might be fun to make a list and share them, perhaps eliciting a response. While I'm sure it is not in anyway complete, it does represent some of the most brilliant playing that I have heard on the instrument.

Jazz flute fans of that era were divided into two rival factions supporting either Herbie Mann or Sam Most, both of whom greatly contributed to the growing popularity of the jazz flute. Despite the rivalry, or perhaps because of it, these two influential flutists recorded together in 1955 and often appeared in concert together.

Payment methods. Marc Adler's Jazz Etudes are advanced studies in jazz improvisation. They explore each of the 12 keys, but also step out into contemporary sounds characteristic of modern jazz and 20th century classical music, such as whole tone and diminished scales, and colorful chord progressions. Jazz flutist will enjoy the original jazz licks, and classical flutists will enjoy the challenge of these tightly woven compositions while savoring their improvisatory flavor.
