Was working my 450C track loader and as I moved out of the work area to dump my bucket the engine lost power. Dumped the bucket and could barely move in first low under it's own power. Checked all the usual suspects. Fuel in tank, yes, fuel filter, less than 50 hours, looks clean, all connections tight and no drips, check. Changed the fuel filter just in case, no improvement. Blew out the line ...

Hi I have a 450 john deere crawler loader. The problem I am having is I have a track adjuster that will not hold hydraulic pressure. It was stuck, track too tight, just bought dozer. Used it for about 9 hrs and it worked great but left track was very tight. I ran it with the bleeder open and never loosened up. I removed the bleeder and greased it and collapsed it with the bucket and a 4x4. It ...

1978 John Deere 450C. JD 450C Steering issue Good morning all, new to this forum. I have a JD 450C with 3600+ hours, 1978 model. This is a new machine to me and the first machine I have owned. The other day while using the machine (machine worked as intended) the right stick for steering became harder and harder to move machine in intended direction until it finally stopped machine completely ...
