Item # TC 31, Kaeser TC 31 Cycling Refrigerated Air Dryer ...

KAESER TC 31. Kaeser Secotec® dryers condense and remove moisture before it attacks your system. These reliable dryers feature the energy saving Secotec cycling control. Secotec dryers operate the refrigerant compressor only when necessary by using a thermal storage medium. The refrigerant compressor cools the medium to a predetermined temperature and then cuts off, allowing the medium to cool the air and condense the water vapor.
