~~Killing Monsters: Our Children’s Need For Fantasy, Heroism---~~

The full title of the book here is Killing Monsters: Why Children Need Fantasy, Super Heroes, and Make-Believe Violence, and in it author Gerard Jones works out a thesis that exposure to violence --especially fantasy violence-- is not unhealthy to children, but actually critical to proper emotional, social, and mental development. It’s the inverse of the “violent media makes violent kids” angle that most of us are used to hearing, and it’s fairly interesting.

But we need to look beyond our adult expectations and interpretations and see them through our children’s eyes. First, we need to begin disentangling the fears and preconceptions that have prevented us from doing so.
