John Kotter on Leadership

Leadership is setting a new direction or vision for a group that they follow — i.e., a leader is the spearhead for that new direction. On the other hand, management controls or directs people/resources in a group according to principles or values that have already been established.

Leadership vs Management - Difference and Comparison | Diffe
Leadership is about mapping out where you need to go to "win" as a team or an organization; and it is dynamic, exciting, and inspiring. Yet, while leaders set the direction, they must also use management skills to guide their people to the right destination, in a smooth and efficient way. In this article, we'll focus on the process of leadership.
