This passage is the origin of the slogan "The rule of law not of men," an abbreviation of which forms our phrase "the rule of law." From Plato and Aristotle, through John Adams and John Marshall, down to us, no idea has proven more central to Western political and legal culture. Yet the slogan turns on a very dubious metaphor.

The mercurial concept of human dignity features in ethical, legal, and political discourse as a foundational commitment to human value or human status. The source of that value, or the nature of that status, are contested. The normative implications of the concept are also contested, and there are two partially, or even wholly, different deontic conceptions of human dignity implying virtue-based obligations on the one hand, and justice-based rights and principles on the other.

- Daniel P Sulmasy, Kilbride-Clinton Professor of Medicine and Ethics, University of Chicago, "In Human Dignity in Bioethics and Law Charles Foster sets out an argument that is provocative in its simplicity: dignity is the 'bioethical theory of everything', the value by which all bioethical disputes should be adjudicated. Drawing extensively from both philosophical and legal debates, this book makes an important contribution to a central issue facing societies in the 21st Century.
