learning are the parts of the lifespan where formal learning (including professional learning) takes place. In the Library Trends article, Elmborg made this same observation when he stated that “the public library has lagged far behind in pursuing a pedagogically progressive version of information literacy as a central part of its mission” . The question is, do public libraries really need to pursue a “pedagogically ...

Public Libraries, and a Pedagogy for Lifelong Learning ...

Practical implications: Sharing of results may be useful for public libraries wishing to develop open learning facilities/develop audiences for lifelong learning. AB - Purpose: This paper presents findings from the European project PuLLS (Public Libraries in the Learning Society), funded by the EU’s Socrates programme.

Supporting lifelong learning in public libraries across ...

In a society of lifelong learning – whether of a formal or informal nature– public libraries will be nodes connecting the local learning setting with the global resources of information and knowledge. Public libraries must therefore be allowed to play a role of fundamental importance in the development of future systems of lifelong learning.

IFLA -- The role of Public Libraries in lifelong learning ...

As parents and caregivers strive to give their children the best education, they are finding valuable support from their library. This is especially true for children living in poverty or from low-income homes. But libraries are also involving the entire family in the journey of lifelong learning. A new report, " Public Libraries: A Vital Space for Family Engagement ," released by Harvard Family Research Project and the Public Library Association, provides powerful evidence of libraries ...
