What sets apart Light Emerging

from HOL is the newest

exploration of personal patterns

of wholeness, not just in

honouring the balancing system

of the human psyche, which is

“the deeper place within that

remembers who we are, what we

need, and how we heal

ourselves”; but in the discovery of

the Core Star (Creative Essence)

dimension: “a quantum leap

deeper into who we are than the

Haric level and is related to our

divinity.”
