~~50-55 Ton Lowboys - Lowboy Trailers by Globe Trailers~~

Lowboy Trailers are great semi-trailers for hauling heavy loads or over dimension loads. Lowboy trailers provide a low ride height that makes taller loads get under bridge laws and low hanging street lights or power lines. Lowboy trailers come in a variety of sizes but most are 48 or 53 feet long. The well type and length of lowboy trailers is very important as it determines what size and kind ...

~~Used Lowboy Trailers For Sale | ITAG Equipment~~

Lowboy equipment trailers are designed for easy loading. When you need a low center of gravity, having the deck between the wheels makes all the difference in the world. With available lengths ranging from 12' to 40' and widths of 8' or 10', our lowboy equipment trailers are easy to configure to meet your specific needs.

~~Lowboy Equipment Trailers - REX Trailers~~

Lowboy trailers are offered in a few different types; some have fixed necks, while some models feature detachable necks (either mechanical or hydraulic). The latter are sometimes called RGNs, or removable goosenecks. The benefit of an RGN is that, by detaching the front, the trailer can be lowered to the ground for front or rear loading. In some cases, lowboy trailers come equipped with ...

~~Lowboy Trailers by Globe Trailers~~

A lowboy is a type of trailer that has features of a semi-trailer combined with a double-level drop system. These trailers are more versatile than flatbed trailers or semi-trailers, as they can haul and carry equipment of up to 12 feet in height and between 40,000 and 80,000 pounds.
