VF-1 Valkyrie - Wikipedia

The VF-1 Valkyrie is a series of variable fighters first featured in the Super Dimension Fortress Macross television series. Originally used by the U.N. Spacy during Space War I , these variable fighters have become an iconic symbol in the Macross timeline , so much so that "Valkyrie" is sometimes used as a synonym for "Variable Fighter".

Super Dimension Fortress Macross is an anime television series from 1982.

According to story creator Shoji

Kawamori, it depicts "a love triangle against the backdrop of great battles" during the first Human-alien war. It is

the first part of two franchises: The

Super Dimension series and Macross

series. Macross features mechanical

designs by Kazutaka Miyatake and

Shoji Kawamori and character designs

by Haruhiko Mikimoto of Artland.

Macross also created one of the first
