Introduction ...

Communication  
Research Methods In the  
field of communication,  
there are three main  
research methodologies:  
quantitative, qualitative,  
and rhetorical. As  
communication students  
progress in their careers,  
they will likely find  
themselves using one of  
these far more often than  
the others.

methods (Book, 2013 ...

There are many ways researchers can quantify human communication.

Not all communication is easily quantified, but much of what we know about human

communication comes from quantitative research. Experimental Research is the most well-established quantitative methodology in both the
