Medicine Women: The Story of the First Native American ...

"Medicine Women contributes to an engaging body of work that values oral history and emphasizes storytelling in historical analysis."—Gianna May Sanchez, Journal of Arizona History "In Medicine Women, Jim Kristofic adeptly combines archival research with good, old-fashioned storytelling. He draws readers into this world through Diné leader Ganado Mucho, trader Juan Lorenzo Hubbell, US government representatives in the territory, and the varied inhabitants of the land—native, Hispanic ...
