## **Mercedes W211 2004 Engine Parts**

The W211 is the chassis code for the Mercedes-Benz E-Class for the model years 2003-2009. For the third generation E-Class, the W211 had gone through many changes to distinguish itself from the previous Mercedes W210 that it replaced. Coming in both sedan and wagon body styles, the W211's exterior design was sleeker and smoother, straying away from the older boxier look, but still sporting the ...

Info. For many car parts, such as engines and cylinder heads, it is important that you specify the correct motor code on your request. The engine code is usually stamped somewhere into the engine block. The first 4 or 5 letters / numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you.
