### Module B: Self Awareness - Florida Department of Education

Public self-awareness is the awareness of how we appear to others, while private self-awareness refers to our ability to be aware of and reflect on our internal states. An important part of self-awareness is the realistic and non-judgemental assessment of your resources and abilities.

---

### How To Improve Self-Awareness: 4 Actionable Methods

Acquiring self-awareness is a process that is not easily achieved. Once people form conceptions of themselves, they frequently seek out information that only validates or reinforces their self-concept, rather than challenges or invalidates their sense of self. This can hinder or prevent an honest, accurate, and complete understanding of one's self. This chapter discusses these barriers to self-awareness as well as ways to overcome them. Objectives. By the end of this module, a successful ...
