Music In Americas Cold War

The Cold War shaped most aspects of popular culture, including music. Cold War values, issues and ideas can be found in hundreds of songs between the late 1940s and early 1990s. Cold War music spans a number of styles and genres: from whimsical

attention during the Cold War—roughly the period between 1945 and 1991, from the end of World War II to the fall of the Soviet Union. Yet it was not until the Cold War 's end that musicologists and historians began investigating in earnest the impact of the worldwide conflict on musical composition, performance, and reception.
