About

this book. New Issues in Polar Tourism traces and analyzes a decade of growing interest in the polar regions, and the consequent challenges and opportunities of increasing tourist traffic in formerly remote and seldom-visited places. The book arises from the recently-formed International Polar Tourism Research Network (IPTRN), and documents the outcomes of its 2010 conference, held at Sweden's Abisko Scientific Research Station.

The adventure specialist will offer three new polar itineraries for 2022/23 exploring the Antarctic wilderness, including a 14-day Christmas and New Year departure. Intrepid said its decision to launch its new polar range three months early came after it took record bookings for its inaugural 2021/22 polar season in September, and saw a 70% increase in global search traffic for its Antarctica ...
