So I had found my giants. Now I had to stand on your shoulders. I have contacted all 5 and conducted a total of 6 studies with 4 of them. All my studies have been based on the studies of the authors. As you now suspect, the majority of my studies are in HMD. So I did it: I stood on the shoulders of giants and had strong mentors for my doctorate.

Standing on the Shoulder of Giants is the fourth studio album by English rock band Oasis, released on 28 February 2000. It was the band's first album under their new record label Big Brother Recordings. In the year preceding the album's release, Alan McGee closed Creation Records. Oasis had lost two founding members (Paul "Bonehead" Arthurs and Paul "Guiggy" McGuigan) and hired new producer Mark ...

There lies the important fact. Standing on the shoulders of giants enables us to see further, not merely as far as before. When we build upon prior work, we often improve upon it and take humanity in new directions. However original your work seems to be, the influences are there—they might just be uncredited or not obvious.
