Sewing machine manuals are considered a "part," or an essential piece of equipment to the machine. For those who know the make and model of the sewing machine, it's likely they'll be able to locate a manual. The first step is finding the machine's manufacturer and model number. Most machines have a manufacturer's name somewhere on the machine.

Sewing has always been its own community, and at Zig Zag we enjoy being a big part of that. We love meeting new customers, having a chat with our regulars, and catching up with ones we haven't seen for a while, while offering a big, colourful and comfortable place for them to meet, and shop, and stitch with each other.
