I liked that you could take a quiz about who your god parent would be, but I didn't like that the Ultimate Guide has a whole section about Percy's "background".

The book has sections on Percy Jackson's background, life at Camp Half-Blood, gods & spirits, a Greek mythology bestiary, and a storehouse of the gods featuring all the magic items and weapons found in the series. My favorite sections are probably Nico di Angelo's guide to the Underworld and the section exploring Daedalus's Labyrinth.
