An accounting practice set is the best way for students to learn the practical skills essential to accounting, through the completion of a one month accounting cycle for a fictional business. But... when we talk to academics, you tell us that practice sets: are too expensive for students to purchase. allow students to easily cheat when used for course assessment.

Manual Accounting Practice Sets by Perdisco

Perdisco practice sets are designed for introductory and intermediate accounting students and typically require between 10 to 20 hours of study effort. Each practice set requires students to record transactions and prepare financial statements, either manually or through the use of an accounting software package (Sage 50 software practice sets are also available).
