Sometimes a Peugeot will have its problems, but having a decent service manual will make it possible to isolate, identify and even correct some of these problems, cutting down on any diagnostic work that needs to be done at the garage. A reliable repair guide will make it a lot easier to own and run a car, and provide reassurance to any owner that small problems need not become big ones.

The Peugeot 405 is a large family car released by the French automaker Peugeot in July 1987, and which continues to be manufactured under licence outside France, having been discontinued in Europe in 1997. It was voted European Car of the Year for 1988 by the largest number of votes in the history of the contest. About 2.5 million vehicles have been sold worldwide, both in LHD and RHD, as a ...
