For Singers Transcending

Yet most singers have never had the opportunity to acquire the essential skills that make for a successful career. Written as a self-help manual for singers at all levels of expertise, Power Performance for Singers is designed to teach performing artists, and especially singers, how to experience elite performance at their level. The skills outlined in this book will help singers use what they have, to enjoy their voices during performance, and to perform consistently to the best of their ...

Hi Chris, Thanks for your comments. Agree, query performance plays a bigger role in this aspect and there are endless ways to improve a report performance. I guess though we have the data handling limitations (ceilings) defined for power bi reports we don't have figures to backup volume vs performance impact as such.
