Powerex compressors provide clean, dry air for industrial applications where the quality of the compressed air is critical. Manufacturers Distributor, Inc. is proud to represent the outstanding line of Powerex industrial oilless air compressors, lubricated air compressors, enclosed oilless scroll compressors, open oilless scroll compressors, and rotary vane vacuum compressors. Whether its a ...

Powerex Compressor | Powerex Air Compressors

Powerex was the first company to package NFPA 99 compliant scroll systems. Today, we design and manufacture a complete line of NFPA 99 compliant systems □ Vacuum, Air, and Instrument Air.

POWEREX | The leader in pure air technology

As the scroll orbits from No. 1 to No. 4 positions, a crescent-shaped cavity is gradually reduced, compressing the air and exhausting it through the final discharge point at the center. During operation, all the gas passages are in various stages of compression at all times, resulting in nearly continuous compression and discharge.
