The Role of Precedent in Investment Treaty Arbitration ...

ARBITRAL PRECEDENT: what a topic, given that it is common knowledge that international arbitration lacks a doctrine of precedent, at least as it is formulated in the common-law system. 1. Regardless, arbitrators increasingly appear to refer to, discuss and rely on earlier cases. 2.

Arbitral Precedent: Dream, Necessity or Excuse?

Historically, the issue of precedent in international law was carefully considered for the first time at the time of the creation of the Permanent Court of Arbitration in the Hague Conventions of 1899 and 1907. The drafters of these agreements were certainly aware that the Court they had created was a court in name only, and was not permanent.

process and the fact that the ultimate decision (made by a third party) is binding. It has been around for several hundred years, and is common in public international law and international trade, but arbitration may be an option in domestic law too.

The Doctrine Of Precedent, The Courts And ADR

With the recent proliferation of published arbitral awards in investment treaty arbitrations a body of arbitral decisions is emerging in the sphere of investor-state disputes. This article considers what relevance, if any, the doctrine of precedent (stare decisis) has in the context of investor-state arbitrations and whether it can be said that a body of case law is emerging and whether those decisions could, or should, amount to binding precedent in the sphere of investment arbitration.

The Precedent In International Arbitration: Amazon.co.uk ...

It is well settled that there is no rule of precedent in investment arbitration and arbitrators are not bound by decisions rendered by previous tribunals. Nevertheless, investment arbitration practice shows that previous decisions are often observed and followed. Disputing parties and arbitrators devote significant attention to previous decisions and on several occasions arbitral tribunals rely on the reasoning of previous decision in order to legitimate their own decisions.

Precedent in International Arbitration - Google Books

Nearly all tribunals recognise (often explicitly) the lack of binding precedent in arbitration, including of the investment treaty variety. But it is common to find only an assessment of legal rules posited on the basis of other decisions, rather than an exploration at the source, to determine whether those rules actually exist and apply to the state parties in the dispute at hand.
