Economics (eBook, 2019) [WorldCat.org]

Mainstream principles of economics textbooks distort our worldview with immense political and cultural consequences. Students of these principles deserve a more complete perspective, and this brief critiques that conventional worldview and provides an alternative perspective, with an emphasis on free-market economics wherein the human element should be paramount and moral judgments should override market outcomes.

Principles of Economics for a Post-Meltdown World eBook by ...

The third edition of Principles of Economics provides students with an in-depth understanding of basic microeconomics and macroeconomics concepts. This book is targeted at students pursuing economics courses at local institutions of higher learning.
