Public Art Now Out Of

Public Art (Now): Out of Time, Out of Place is the first survey of progressive public art from around the world. It presents some of the most significant artworks in the public realm from the last decade, challenging preconceptions about where, when and how public art takes place. The face of public art is changing. For decades, art in the public realm has been characterized by the landmark sculpture or spectacular outdoor event that helps to define or brand a place.
