There are selections of art for less than \$20, so if you are after quality art that won't break the bank, this is one of the best online art sites. Online Marketplaces Places like Depop, Ebay, and Facebook are great for finding pre-loved pieces of art and locating one of a kind pieces and artists.

*Quality Art | The Best Online Art Galleries For Your Space* ...

The measurement of quality is the price of nonconformance His belief was that an organization that establishes good quality management principles will see savings returns that more than pay for the cost of the quality system: "quality is free". It is less expensive to do it right the first time than to pay for rework and repairs.
