These are the answers to the chapter-end  
questions in the 9th edition of Chang's  
Chemistry. If you have a different edition  
of the text, do not despair. Most of the  
questions have the same numbers, and where  
they are different, you should readily be  
able to decipher the answer(s) to match the  
question(s); they will not be off by very  
many numbers.
