Recording the production sound for a comedy special can pose several challenges not seen on typical video shoots. Not only do you need to capture the comedian ' s dialog cleanly, but also the audience noise in the room as well. The process can become even more difficult when the venue ' s PA system is overpowering the room the audience is in.

Essential Tips for Recording Production Sound for Comedy ...

Production overview. As a broad project, the creation of a music recording may be split across three specialists: the executive producer, who oversees business partnerships and financing, the vocal producer or vocal arranger, who aids vocal performance via expert critique and coaching of vocal technique, and the record producer or music producer, who, often called simply the producer, directs ...
